Re: Possible Double Charge for Extension Fee
Serial No.: 09 402 563
Pocket No.: KOB 10

TOTAL NO. OF PAGES (INCL. COVER) 1

Dear Ladies and Gentlemen:

We filed a Petition for extension of time on August 4, 2003 with a Credit Card Payment Form authorizing payment of \$55 for the one month extension, small entity. The charge was made to our Visa Acct. No. 4427 1150 0023 2515. We do not have any records of any other charges in the USPTO for August.

Our latest statement shows two charges for \$55 by the USPTO in August. The first charge was on August 21 and the second charge was on August 22. We called the main number for credit card charges at the USPTO and we were told that both charges related to KOB 10 (SN 09 402 563). It appears that there was a double charge for the one month extension of time.

Please review your records and advise us if one of these charges was in error.
